

A stronger Stilmas brand

Our new brand strategy designed to reflect Stilmas leading position in water treatment technologies for pharmaceutical and bio-tech industries, emphasizing the belonging to the Masco Group.

Today's pharmaceutical landscape is more complex than ever before, and our Clients look at Stilmas as their Partner in realizing complete solutions while providing the highest level of quality. This new Stilmas brand confirms our commitment to Clients and reveals our continued growth and leadership through the collaboration with all companies of Masco Group.

Complementing Stilmas brand launch is a new company website, www.stilmas.com, dynamic and interactive, allowing to strengthen collaborative relationship with our Clients, Partners and Employees.
